# GENERAL INFORMATION

## **Purpose**

Our Orchestra's purpose is to:

- Serve the school and community through quality concert performances
- Furnish members with an invaluable experience in music as an art form.
- Develop individual responsibility and self-discipline.
- Further school spirit.
- Encourage and develop leadership and teamwork.

## **Goals and Objectives in line with NAFME/GPS Standards**

1. Singing alone and with others, a varied repertoire of music
2. Performing on instruments, alone and with others, a varied repertoire of music
3. Improvising melodies, variations, and accompaniments
4. Composing and arranging music within specified guidelines
5. Reading and notating music
6. Listening to, analyzing, and describing music
7. Evaluating music and music performances
8. Understanding relationships between music, the other arts, and disciplines outside the arts
9. Understanding music in relation to history and culture

## **Description of Orchestra Classes:**

The Johns Creek High School "Chamber Orchestra" is the most challenging orchestra class comprised mostly of upper level students. The students are selected through auditions and/or with the approval of the Orchestra Director, with the understanding that there will be out-of-school performances and rehearsals required of all members during the school year. The course will cover the mechanics of string instruments: note reading, rhythm, pitch discrimination, expression, and music literacy at a higher level. Students receive one hour elective credit for all music courses

The Johns Creek High School "Philharmonia Orchestra" is a performance group comprised of 9<sup>th</sup> through 12<sup>th</sup> grade students. The students are selected through auditions and/or with the approval of the Orchestra Director, with the understanding that there will be out-of-school performances and rehearsals required of all members during the school year. The course will cover the mechanics of string instruments: note reading, rhythm, pitch discrimination, expression, and music literacy at a higher level. Students receive one hour elective credit for all music courses

The Johns Creek High School "Sinfonia Orchestra" is a performance group comprised of 9<sup>th</sup> through 12<sup>th</sup> grade students. The students are selected through auditions and/or with the approval of the Orchestra Director, with the understanding that there will be out-of-school performances and rehearsals required of all members during the school year. The course will cover the mechanics of string instruments: note reading, rhythm, pitch discrimination, expression, and music literacy at a higher level. Students receive one hour elective credit for all music courses.

### **Additional Ensembles:**

#### Johns Creek High School Symphony Orchestra:

This is a full-orchestra that includes string students from Chamber; select students from Philharmonia, winds, and percussion. The wind and percussion students in this orchestra are a group of selected students from JCHS Band through auditions and/or recommendation from the Director. The Johns Creek High School Symphony Orchestra usually rehearses once a week in the evenings and sometimes during class.

#### Chamber Strings :

Chamber Strings is a selected ensemble that comprises members of the Johns Creek High School Orchestra that performs in special, smaller ensemble settings. The students are chosen based on their musical skills, dependability, and instrumentation. The members of the Chamber Strings will sometimes be asked to perform at functions with a short notice; therefore, the students must be flexible. Failure to communicate in a timely fashion with the Director can result in dismissal from this elite ensemble.

#### Other String Ensembles (String Quartet, etc...):

All students are encouraged to participate in small chamber ensembles, such as string quartets, quintets, trios, etc.... The students' musical understandings and appreciation about the composers and their work will be much enhanced through the performing of chamber music.

The students will benefit much both musically and socially by participating in small ensembles. The students will generally rehearse before and/or after school.

## **METHOD BOOKS/COURSE MATERIALS**

### **Method Books**

The students will be exposed to music of all genre and styles. In addition to many different types of music that they will perform in class, the students will also use supplemental books throughout the course of the year, depending on their ability and progress. Listed below are some of the supplemental books which will be used throughout this year:

Expressive Techniques for Orchestra

Advanced Techniques for Strings

Essential Elements for Strings

Harmonized Rhythms

Carl Flesch Scale System

Replacement of each book is about \$7.

**Tuner and Metronome**

All students are encouraged to purchase a personal tuner and metronome. These devices are necessary during personal practices at home to improve his/her performance.

**“Daily Required Materials”**

All students are required to bring their instrument, personal copy of music, and pencils to class. Failure to bring these items will result in lowering of the student’s grade.

**CONCERT ATTIRE**

All Johns Creek High School Orchestra students are required to provide their own performance uniform and dress shoes. The uniform needs to be properly fitted and worn properly. Any student not properly dressed will not be allowed to perform until the problem is corrected.

**Males:**

Tuxedo with black bow tie, white shirt, black cummerbund  
Black socks and black shoes

**Females:**

Long black dress (to the ankle)  
Black stockings with black shoes

**GRADING SCALE and DISCIPLINE**

The grading scale and quality point values for final semester grades are as follows:

<b><u>Letter Grade</u></b>	<b><u>Numerical Grade</u></b>
<b>A</b>	90 - above
<b>B</b>	80 - 89
<b>C</b>	70 - 79
<b>F</b>	Below 70
<b>W</b>	Withdrew (numerical grade is used for 1 to100)/Pass or Fail
<b>NG</b>	No grade (no transfer grade or on roll less than 20 school days in the grading period)
<b>INC</b>	Incomplete

\*This course requires an end of the semester or year (enter appropriate one for your subject) EOC. The State Board of Education and the Fulton County Board of Education have yet to determine the weight of the assessment. This information will be forthcoming.

**Recovery Policy:**

Recovery is for students who, despite a conscientious effort and communication with their teachers, have failed to demonstrate satisfactory understanding of course goals as measured by a summative assessment or project. Students may initiate recovery on summative assessments or projects when their cumulative average is a 75 or below any time after the 6 week progress report and they have made a legitimate effort to meet all course requirements including attendance. All assignments must be completed before a student takes a recovery assessment. Students will be required to complete relevant assignments for the unit and required to attend help session or complete re-teaching activities before the recovery assessment is given. The format of the recovery assessment may be different from the format of the original assessment. After successful completion of the recovery assessment, the teacher may replace the original assessment grade with the recovery assessment grade up to an 80. The replacement grade may not be lower than the original assessment grade. Students must initiate recovery on a summative assessment or project within 5 school days of being informed of the grade on that assessment. All recovery work should be completed 10 days before the end of the semester. In the case of an honor code violation on a summative assessment or project, the teacher may issue a grade of zero for the assignment. This assignment may not be made up nor will the student be eligible for recovery.

**Honor Code Against Academic Dishonesty: (pg 19-21 in the student handbook)**

Integrity is a Johns Creek High School core value. Johns Creek students are expected to demonstrate honesty and integrity in all work submitted to a teacher. The honor code ensures the validity of student work which guides instruction. All JCHS students are bound by the Johns Creek Honor Code. (See pages 19-21 in the Student Handbook for more detailed explanation.)

**ORCHESTRAS**  
**(Sinfonia/Philharmonia/Chamber)**

An orchestra member's semester grade will be derived from rehearsal and performance attendance (35%), playing and/or written tests (20%), classroom participation (25%), final exam (15%), and Homework (5%).

Grading for Festival/LGPE preparation during the 2<sup>nd</sup> semester for the Advanced Orchestra classes involve individual check-offs on each of the selections. The students need to accurately perform 95% of each selection in order to participate in the Festival/LGPE--first chair/stand players at 100%.

**Testing**

Playing tests/quizzes and check-offs will be given regularly by the Director. A numerical grade will be assigned after each quiz/test. Written and Playing tests will be given throughout the semester.

**Homework**

The students' grade will be lowered when homework is turned in late—one letter grade lowered per/day. All students are responsible in learning music and completing all written/oral homework. All students will be responsible for numbering the measures in his/her music within 2 days of issuance. This is not to be done during class. The section leaders will check parts and report failures to the Concertmaster (mistress).

### **Attendance Policies for Performance and Rehearsal**

Orchestra members shall regard performance as their primary purpose for belonging to this organization and shall make every possible effort to be in attendance unless there is an emergency situation.

Students are required to be present at all rehearsals and performances in order to receive full credit and remain in good standing with the Orchestra. Situations may arise for not attending an orchestra activity. Students should contact the Director with an acceptable reason prior to the activity (must be a written note- at least one day in advance) to avoid any grade penalty and to be eligible to receive “alternative” assignment for makeup (for excused absence only). The student must turn in makeup assignment in a timely manner to receive credit. Unexcused absences will not be allowed to makeup work.

Examples of unexcused absences are:

- Homework/classroom project
- No transportation
- Dentist/Orthodontist appointment
- Attending a rock concert or sporting event
- Birthdays
- Work
- Trips/vacations

A personal illness and death in the family are considered emergency situations. In this case, a written explanation should follow (a doctor’s note, if student is ill).

The Director reserves the right to excuse or not excuse each absence depending on the situation at hand.

An absence from a final rehearsal could result in a student not being allowed to perform with the orchestra for the upcoming performance(s). Unexcused absence from a public performance could result in dismissal from the Orchestra and/or lowering of grade (zero) and receiving demerits.

### **Dismissal**

The Director reserves the right to remove a student from organization for:

- An unexcused absence from a performance
- Use of drug or alcoholic beverages while representing the Orchestra or Johns Creek High School
- Continued failure to demonstrate a cooperative behavior and attitude

Parents shall be notified regarding above circumstances for dismissal. Students dismissed from performing organizations shall continue to function in daily class until the end of the semester. He/she will have student/teacher “compromised” assignment during that time. A grade will be assigned based only on class work/assignment and participation.

### **Trip-related Information**

The student may not be allowed to participate on orchestra trips if the student fails to adhere to any one of the following Johns Creek High School Orchestra rules and expectations. Some of these expectations include:

- a) Attend regular rehearsals and performances
- b) Learn his/her given music
- c) Respect teacher and fellow students
- d) Fulfill his/her financial obligations--including orchestra activity fees, trip fees, orchestra fundraising, and trip fundraising  
(In order to participate in any orchestra trips, the student must first pay his/her orchestra activity fee in full).

## CLASSROOM RULES AND PROCEDURES

### **Tardiness to Class/Rehearsal:**

Students are expected to be in class before the bell rings. The students need to understand the nature of our class in which much preparation (such as tuning/warming up, getting music, instrument, etc.... prior to actual class instruction) needs to take place.

Tardiness will not be tolerated in this class. Parents are responsible of obtaining student attendance via Parent Connect. Tardiness can count toward the loss of school privileges as well as deduction towards student's classroom participation grade and merit points. The student may also be demoted to lower chair. Students must also serve private detentions or referral for Saturday School, ISS, or for more significant actions (*pg.15 in the student handbook*). Please Do Not Be Late to Class/Rehearsal!!!

### **Classroom Participation:**

Students are expected to be attentive and respectful. There should be no talking except by the conductor. If students have any questions, they should raise their hand and wait to be called. They should address all major questions to the conductor instead of discussing things among themselves. For any minor problems (such as bowing, etc....), they should check it out with his/her section leader. When the conductor works with one section, an individual or any other situation not involving you personally, your focus of attention should still remain on the conductor because the concepts being taught may also directly or indirectly apply to you as well.

Food, drinks, gum, etc... are absolutely not allowed in rehearsal room and rehearsal areas (water bottle with cap is ok). Cell phones, iPads, or any type of mobile devices are also not allowed during rehearsals, unless directed by the Director. Failure to comply with these rules will result in lowering of classroom grade, privileges, demerits, and/or further disciplinary action.

## INDIVIDUAL PROGRESS

### **Chair Assignment**

Students will be assigned seating and parts in their section according to their demonstrated playing ability during auditions.

Section leaders and assigned parts will be determined following these auditions. Section leaders will assist other students in learning the assigned music. One of the responsibilities of the Concertmaster is to lead and represent the orchestra. The Concertmaster of the "Chamber" Orchestra is expected to participate in the JCHS Chamber Strings-related performances.

First stands in each ensemble shall make every effort to be at all rehearsals and be in their seats before each rehearsal begins. The first stands should be one of the first persons to learn the music. Failure to learn quickly, unable to lead his/her section will result in demoting to lower seating. Such change, however, will not necessarily lower student's grade. All students are expected to progress through individual, daily practice

**Seating Auditions for Chamber/Philharmonia/Sinfonia Orchestra** (initial seating auditions **ONLY**)

Students will play two assigned scales and arpeggios of three octaves (two octaves for string bass), prepared excerpt given by the director, and sight reading music.

<b>SINFONIA I &amp; II</b>		<b>PHILHARMONIA/CHAMBER</b>	
<b>VIOLIN -</b>	<b>G</b> Major scale with arpeggio <b>A</b> Melodic minor scale with arpeggio	<b>VIOLIN -</b>	<b>C</b> Major scale with arpeggio <b>G</b> Melodic minor scale with arpeggio

<b>STR. BASS -</b>	<b>G</b> Major scale with arpeggio <b>F</b> Melodic minor scale with arpeggio	<b>STR. BASS -</b>	<b>Ab</b> Major scale with arpeggio <b>G</b> Melodic minor scale with arpeggio

**Challenges**

A student may challenge for a higher chair following a written request to the Director and informing the person being challenged. A challenge form will be used. Current music and sight-reading may be used for challenges during the school year. A prepared solo will be used for initial audition only.

Challenges involving a change in part will not be allowed three weeks prior to a scheduled performance, unless noted otherwise by the director.

**Private Lessons**

Private lessons are not required but are strongly encouraged. Individual progress can be enhanced through private tutoring.

Private Teacher List is found on the Johns Creek High School Orchestra website. The Director will be glad to assist interested students in contacting private teachers.

# FACILITY AND EQUIPMENT

## **Director's Office**

Students shall enter the Director's office only for official business. This area is off limits to students except those engaged in work or meetings (Orchestra Leadership team). Please do feel free to come in to the office to seek help/advice or discussions. Students are requested not to interrupt during conferences.

## **Rehearsal Rooms** (Orchestra Room/Orchestra Ensemble Room/Auditorium/Band Room)

Each orchestra member shall assume the responsibility of picking his/her music, instrument, books, clothing, etc. and storing such items properly at the end of each rehearsal or performance. Any music and/or items left in rehearsal room and rehearsal areas may result in a lowering of student classroom grade and/or demerit points.

No personal items should be left in the rehearsal rooms. The school will not be responsible for any personal items left in the classroom. All equipment, including instruments, must be stored properly on shelves, lockers, and racks. Personal instruments are expected to be taken home daily by students. Chairs, stands, equipment in the orchestra room must not be removed without permission.

Only orchestra/music students are allowed in the orchestra room.

## **Computer/TV/Technology Usage**

Johns Creek High School supports the use of technology for academic pursuits. However, all technology must be turned off and put away upon entering classroom. Computers, TV, Smartboard, printer, and Music Players in the orchestra room can be used only by orchestra students and only with permission. Students are not to use them without Mr. Kim's permission. When using the computers, you must logout completely upon finishing your task.

## **Instrument Storage**

All instruments must be properly stored in assigned lockers/bins at all times when not in use. Instrument that is too large for shelving will be assigned in specified storage area.

Storage bins/lockers are to be kept clean and free of litter and personal items. Students are expected to take their instrument home daily. Therefore, every storage bin should be empty of personal items, including instruments at the end of school day.

## **Library**

The librarians/helpers will assist students with all music needs. Students other than the librarians/helpers are not allowed to remove music or return music to library filing cabinets. Copier in the library/practice room is off limit to students. Only the authorized librarians should be allowed to use it.

## **Lost Music Fines**

Each orchestra member shall be issued with music. Students not receiving issued parts shall immediately inform a Librarian in order to obtain it. All students need to have their own parts at **ALL** rehearsals (**NOT JUST YOUR STAND PARTNER**).

# MISCELLANEOUS

## **Stadium Concession Stands**

Each student is expected to volunteer for at least two shifts a year. Parents may act as substitutes for their student's shifts. This is necessary since the Johns Creek High School Orchestra receives a portion of the profits made from the concession stands. This in return can help lower the orchestra activity fee and help to pay for the Orchestra Operation budget. Information regarding concession stands can be obtained from the Orchestra Booster Board.

## **Instrumental Music and Athletics**

Music students are encouraged to participate in any sport they choose provided rehearsals of the music group can be attended. The Director and Coach will try to work out a compromising schedule for the student. It is the student's responsibility to first inform the Director and Coach of the situation.

## **Scheduling of Classes**

Orchestra members who are confronted with scheduling problems should consult the Director for assistance.

Students who have earned first chair status in their respective primary ensemble sections must be enrolled in the regular scheduled class. Students need to be enrolled in the regular scheduled class to participate in performances. Exceptions are upper classmen who have unresolved schedule conflicts involving classes necessary for graduation and/or AP class conflict or Joint-Enrollment conflict in which the Director has approved for participation.

## **Parent Conferences**

Parent conferences are encouraged as needed. Please feel free to contact the Director for an appointment.

JCHS Orchestra Office: (470) 254-2058      Email: [ykkimy@gmail.com](mailto:ykkimy@gmail.com)

## **Johns Creek High School Orchestra Website**

<http://www.johnscreekorchestra.com>

- Much of the orchestra-related-information will be available on our orchestra website.

Merits are points given to students for extra work or outstanding achievement worthy of recognition. Students accumulate merits to qualify for awards given at the annual Spring Orchestra Banquet. Merits do not affect a student's semester grade.

Demerit points will be given to students not following rules of orchestra, such as missed rehearsals, chewing gum in class/rehearsal, leaving music/items on the stand, negative behaviors, etc....
