Dear Mr. Kim,

You are cordially invited to participate in The 66th Annual Midwest Clinic, an International Band and Orchestra Conference, held at McCormick Place West in Chicago, IL (USA) from December 19-22, 2012. We hope you can take part in several rehearsal labs, new music reading sessions, concert performances, technology demonstrations, and clinic sessions. Also, please plan to visit our exciting exhibit hall to learn more about what's new on the marketplace, as well.

The Midwest Clinic is the world's largest instrumental music conference presenting over forty concerts including orchestras, concert bands, jazz bands, and chamber music ensembles for nearly 16,000 attendees from all fifty states and more than thirty foreign countries. The conference also provides approximately eighty clinic sessions and showcases more than 350 exhibitors including music publishers, instrument manufacturers, military organizations, travel services, professional associations, and institutions of higher learning.

We recommend that you to pre-register for the conference and make your room reservations at one of our exquisite conferences hotels at your earliest convenience using our website at www.midwestclinic.org. Please feel free to contact us if you have any questions or need further assistance.

Sincerely,

Anna Collinge
