★ Need Eleven(11) Music Stands

# Chattahoochee Nature Center

9135 Wilco Road  
Roswell, GA 30095

Thank you so much for being a part of our **Enchanted Woodland Wonders**, coming up on **December 9, 2-6pm!** I am coordinating the event along with Tamara, who you had spoken with previously, and we look forward to having you and your orchestra here. We are expecting over 1000 attendees and could expect many more if weather is particularly nice. We are rain or shine, please read below for details to help you plan for the day:

**Arrival:** your students are scheduled to begin at 3:30pm and we have one hour set aside for your performance. You are welcomed to arrive as early as you need, though I see in our notes you plan to arrive at 3pm to set up for the day. We will be providing chairs for the students, expecting 16, and I understand that is all of the equipment you will need from us. If there is anything else you may need, just let me know!

**Parking/unloading:** When students arrive, our parking lot MAY be closed (because it is full). **However, please let our staff at the front gate know that you are a performer, and they will let you in.** Please share this important note with the rest of the students as well. Students can enter the property through our Discovery Center and will head to the Pavilion, which is where you will be performing. \*If in the event of inclement weather, we will move the performance to an appropriate area. I will reach out via email by the Friday before the event if we are going to be switching to rain plan, so if you do not hear from me, we will move forward with our original location plan!

**Schedule of activities:** Activities run 2pm-6pm and will be centered around our meadow & pavilion. There are snacks and drinks available for purchase, as well as food trucks on site that day. You are also welcomed to bring your own food, and please bring water.

## Enchanted Woodland Wonders Schedule of Events (subject to change)
